

**RESOLUTION OF THE REPUBLICAN PARTY OF LaRUE COUNTY, KENTUCKY TO
FORMALLY CENSURE SENATOR ADDISON MITCHELL McCONNELL, Jr.**

WHEREAS, the \$1.2 Trillion ‘Infrastructure’ bill was passed by Kentucky’s Senior Senator Addison Mitchell McConnell, Jr. and the US Senate on August 10, 2021, this bill adds an estimated \$250 Billion to the debt burden of the children of the state of Kentucky and of the rest of the United States and has been described by Republican Senator Bill Hagerty as a “smoke-screen to distract from the \$3.5 Trillion tax-and-spend spree from the democrats...”;

AND, WHEREAS, Senator Mitch McConnell on May 19, 2022, voted to pass a measure to send \$40 Billion to the Ukraine, when the American people are currently suffering under record high inflation, record high gas prices, dilapidated infrastructure, schools in need of a security overhaul and much more;

ALSO, WHEREAS, Senator Mitch McConnell on June 23, 2022, voted to pass the ‘Safer Communities Act’ and leading 15 other Senate Republicans to vote for this dangerous and unconstitutional gun control legislation, which incentivizes states to pass ‘Red Flag’ laws for federal money, and which allows a judge once petitioned to seize weapons from someone who ‘may’ commit a crime not yet committed aka guilty until proven innocent;

WHEREAS, Senator Mitch McConnell has again and again failed the Commonwealth as the Republican leader of the Senate to defend his constituency in the Commonwealth, particularly the 1.23 million voters who allowed Senator McConnell another 6 year term in the Congress. This by his omission or neglect to take strong action and use his influence regarding the concerns of Kentuckians which have far more lasting repercussions to the future generations of Americans;

THEREFORE, let it be known that the LaRue County Republican Committee no longer recognizes Senator Mitch McConnell as a Republican, and ceases all support, and separate this committee from him due to his failure to lead a bold and strong, conservative, and productive manner to protect fiscal and social demands of the Commonwealth and the United States;

NOW, BE IT RESOLVED that the Republican Committee of LaRue County, Kentucky, hereby formally censures Senator Mitch McConnell for the damage he has done to the U.S. economy and the liberties for countless future generations of Kentuckians and Americans.

SO SAY WE.
