**RESOLUTION OF THE MARSHALL COUNTY REPUBLICAN PARTY
CONCERNING**

U. S. Senator Mitch McConnell

WHEREAS The Bill of Rights protects the people's rights from tyranny of the government and the majority.

WHEREAS The Second Amendment protects a non-negotiable inalienable natural right to keep and bear arms.

WHEREAS The Republican Party platform explicitly supports the Second Amendment and opposes gun control.

WHEREAS The Bipartisan Safer Communities Act contained unconstitutional gun control, including support for red flag laws by offering grants to states who pass Red Flag Laws (Provide grant money for states that enact 'red flag' laws, which permit the court-authorized removal of guns from someone who's found to be a danger to themselves or others, as long as those laws meet certain due process requirements. States that don't want to adopt such a law alternatively could use the funds for other crisis intervention efforts.)

WHEREAS Red flag laws are a dangerous violation of the Second Amendment and the Fifth and Fourteenth Amendment's right to due process.

WHEREAS every major gun-rights group opposed the Bipartisan Safer Communities Act, including the NRA, Gun Owners of America, and the National Association of Gun Rights.

WHEREAS Senator Mitch McConnell led a group of 15 Republican Senators to join with the Democrats to pass this dangerous and unconstitutional gun control legislation.

WHEREAS more than 2/3rds of the Senate Republican Caucus opposed this dangerous and unconstitutional gun control legislation.

**Marshall County Republican Party
County Committee**

120 East 12th Street,
Benton, Kentucky

WHEREAS more than 9/10ths of the House Republican Caucus opposed this dangerous and unconstitutional gun control legislation.

WHEREAS Senator Mitch McConnell was the only Republican member of Kentucky's congressional delegation to support this dangerous and unconstitutional gun control.

WHEREAS there is no excuse for any elected Republican to work with Democrats to undermine our constitutional rights.

Senator Mitch McConnell has been speaking out against the electability of four US Senate GOP Nominees, all which has the support of the 45th President of the United States Donald J Trump. These nominees represent the Ideals of the GOP Big Tent. These four represent a religious minority, An ethnic minority, and a racial minority. Senator McConnell should be fighting hard to get these minorities elected and the return of the US Senate to the leadership of the Republican Party.

WHEREAS that we the Marshall County GOP are thankful for his leadership in shaping the US Judicial courts, including the Supreme Court of the USA, however his weak or non-existent leadership is a glaring failure to the People of KY to the People of the USA, and to the Constitution itself.

THEREFORE, LET IT BE RESOLVED that the Republican Party of Marshall County hereby formally censures Senator Mitch McConnell of Kentucky, calls for his resignation as Senate Republican Leader, and shall cease any and all support of him.

Adopted this 22nd day of August, 2022 by a majority, secret ballot vote, at a special called meeting of the Marshall County KY Republican Party.
